POST MEDIATION STATUS REPORT

1. The parties mediated this matter on July 21, 2015. The required parties were all present. The session was productive, but did not result in a settlement of the case. The parties have a better understanding of each sides claims/defenses and a better understanding of where the parties stand on the dollars that it will take to resolve the matter completely.

2. Additional settlement discussions will probably be productive after some additional discovery.

3. Counsel for Plaintiff submits this report after sharing this report and receiving input or approval from both the Mediator and opposing parties.
